Time Out For Renewal!

Hundreds of Churches have found that Shady Lakes Ranch is the ideal place for a change of pace. In our beautiful setting; emotional, physical and spiritual revival can be realized. Studies have shown that prolonged exposure to peace and quiet, in a Christ - centered atmosphere, can definitely mellow things out and bring your church family closer together. At Shady Lakes Ranch, your church can take a time out for reflection, physical renewal, getting to know and make new friends, rediscover and become closer to family or just come on out and have some fun! There are many examples in the Bible that show us that people like Paul, Moses, David and Jesus took time out in order to hear God speak to them. Enjoy a sunrise service, spend time on our nature trail or just come out and worship God under the stars around our outside stage. For family fun you can plan things like fishing tournaments, horseshoe play-offs, canoe racing, sack racing or a good old fashion water balloon toss. We have something for everyone at Shady Lakes Ranch! Our staff would be happy to help you customize a program to meet your congregations needs!
