Shady Lakes Ranch is the change of pace you are looking for. It is a perfect place for your team to regroup and gain vision for the future. Shady Lakes Ranch is nestled within 80 lush acres of beautiful Texas land, complete with a private 12 acre lake. Come and enjoy the peace and quiet of country living while you relax and enjoy the beauty of the ranch!

If you are interested in Team Development, then Shady Lakes Ranch has just the right program for you! We offer a Group Development Experience Weekend which includes up to a 4 hour ropes course, 1 overnight stay and 2 home cooked meals (supper and breakfast). Your team will learn to increase cooperation and problem solving skills. We can help with a customized games and initiatives program that will help develop your groups potential. Don’t forget, with any of our retreats we can customize them to meet your needs!
